

BROADBAND OVER POWER LINES

DOES ANYONE KNOW WHAT ALL THE EFFECTS WILL BE I WONDER IF
IT WILL AFFECT TWO WAY POLICE COMMUNICATIONS IN THE RURAL
AREAS THAT DO NOT HAVE THE DOLLARS TO GET THE LATEST EQUIP.
HOW WILL IT AFFECT RURAL FIRE DEPTS, AMBULANCES, TELEPHONE
SYSTEMS FOR RURAL AREAS ie (NOT SWB, GTE, VALOR)
HAM RADIO IS A GREAT HOBBIE. GIVE US A BREAK !!!!

DO WE HAVE TO HAVE BPL OR IS IT ABOUT WHO GETS THE MOST
OUT OF IT (PEOPLE IN RURAL AREAS AND WHERE EVER BPL CAN
BE SENT) OR THE COMPANIES SELLING BPL.

I THINK IT MIGHT BE FOR THE MONEY.
BUT THIS IS JUST MY OPINION

CHARLES CARPER
